MARINE SAFETY INFORMATION BULLETIN

BULLETIN NO: 10-01

Date: October 16, 2001

SUBJECT: New Notice of Arrival (NOA) Temporary Procedures

The Captain of the Port restrictions on vessel movements detailed in the previous Marine Safety Information Bulletin Number 07-01, dated September 23, 2001 remain in effect. The following new information is provided:

As published in the October 4th issue of the Federal Register and promulgated in MSIB 09-01, new notice of arrival regulations are in effect. To ensure public safety and security and to ensure the uninterrupted flow of commerce, I ask all agents to continue notifying this local office until November 15th 2001. This notification can be provided via fax (203-468-4443) or by adding another e-mail address (lis@grumsolis.uscg.mil) to the message being transmitted to the National Vessel Movement Center. This temporary dual notification is in the interest of ensuring timely handling of notifications.

I will continue to require local submission of a crew list and a list of the vessel's last ten ports of call beyond November 15th. These lists may be faxed or sent via e-mail as above.

Thank you for your continued, outstanding cooperation. Please call my staff at (203) 468-4444 if you have any questions.
